

Permits Required

The Town of Hayward is under Sawyer County Zoning. Building permits are required by the Town after the proper zoning permits are issued. The fee for a building permit is either \$15 or \$25, depending on the square footage of the building or remodeling.

Driveway permits are required for any driveways that will enter a Town Road. These are approved by the Road Supervisor. The fee is \$25.

Excavation permits are required for any work within the Town Road right of way. These are approved by the Road Supervisor. The fee varies depending on the work that is being done.
